DECEMBER 2022

Monthly Newsletter

COMMUNITY DEVELOPMENT & PUBLIC ADMIN.

The Community Development/Public Administration Team is changing its name! Once the transition is complete, we will be branded as the Local Government Services team. If you have any questions about upcoming grant opportunities, please contact Emily Goddard at emily.goddard@nkadd.org or 859-283-8198.

OFFICE OF DRUG CONTROL POLICY

An update for the NKY Addiction Helpline includes: 190 Uber rides, 341 Helpline Calls, and 8 units of Narcan were distributed to the Life Learning Center. The NKY Addiction Helpline Staff will attend the NAACP Expungement Clinic on December 9th. If you have any questions or would like to have a policy formation discussion, please contact Amanda Peters at apeters@nkyodcp.org.

AGING & DISABILITY SERVICES

The Northern KY Winter Senior Games will take place January 9 through the 19th at various venues around Boone and Campbell Counties. Activities will include Euchre, Shuffleboard, Pickleball, Bocce, Chair Volleyball, Singles Bowling, and many other indoor games. Registration is \$10 and an additional \$8 if you want to Bowl. Senior Games is open to individuals 50 and older. For more information and registration forms, please contact Heather Hopton @ 859-283-1885 or heather.hopton@nkadd.org

WORKFORCE DEVELOPMENT

The Workforce Division was recently awarded over \$289,000 from the Commonwealth's WIOA Statewide Reserve Fund for its Work for Success program. The pilot program will work to improve skills while supporting the program partner's efforts to 'address the substance abuse problem.' For participants to be successful, the program will also work to educate the local business community on adaptive changes necessary to employ those with barriers to employment successfully. In addition, the program aims to improve Northern Kentuckians' lives, create direct employment pipelines for businesses struggling with employment shortages, and create resources for employers facing retainment concerns and high employee turnover rates.
