

Description of Campbell County Precincts

The following descriptions of the forty-six (46) precincts were based upon mapping provided to this committee from the Northern Kentucky Area Development District. This mapping reflects the Census Blocks from the 2020 Decennial Census of the United States, corporate limit lines for the cities, and various other information such as roadways, lakes, creeks, etc. These maps have been submitted as part of this report and shall be used as a reference if any clarification or visual inspection shall become necessary to establish the intent of the following descriptions.
