Pendleton County 6-80306 US 27 Design funds have been requested.

APWA A Resource for Local Government from Tyler Hill
Tyler gave a great overview of how Public Works covers a variety of topics. Public Works is bigger than just roads. Transportation, Water & Stormwater, Fleet & Facilities, Solid Waste, Emergency Management and Engineering & Construction. APWA is there to support those who operate, improve and maintain public works and infrastructure through advocacy, education and membership engagement. Thanks Tyler.
